

ACHIEVING THE VISION: CENTER CITY ACCESS

1 Sound Transit Link Light Rail from SeaTac to Northgate

2 Monorail Green Line

3 Electric Trolley Bus Network

4 Third Avenue Transit Spine

5 Olive Way Bus Lane

6 New high-volume passenger only ferry service

7 Expand Streetcar network

8 Replace viaduct

9 Downtown access provided by Alaskan Way

14 Extension of S. Dearborn and S. King Streets if future 46 development

17 New connections between Third & Fifth Avenues and I-5 Busway

21 New connection between Airport Way and King Street

23 Improve management of I-5 with new collector distributor (within existing ROW) to reduce I-5 weaving at downtown exits
